

# Baby Blue (with Diamonds)

Zachary Kibbee

You are my heart  
You are my soul  
And I feel empty inside when you're not home  
And I can't stop loving you even if I tried to  
Cuz you're the one for me my baby blue  
Ooooooh my sweet love I give you the world  
If I can put it on your finger girl  
And I show you the only way I know to  
With a diamond almost as beautiful as you  
Hold me baby love me like you do  
Give me everything and I'll give to you  
I know you are the best thing to come into my life  
And I show you what you mean to me with diamonds

You are my heart  
You are my soul  
And I feel empty inside when you're not home  
And I can't stop loving you even if I tried to  
Cuz you're the one for me my baby blue  
All I want to do is give you my love  
Because you know you deserve it girl  
And I need you oh I need you  
My baby my baby blue  
Hold me baby love me like you do  
Give me everything and I'll give to you  
I know you are the best thing to come into my life  
And I show you what you mean to me with diamonds

You are my heart  
You are my soul  
And I feel empty inside when you're not home  
And I can't stop loving you even if I tried to  
No I can't stop loving you even if I tried tried tried to  
No I can't stop loving you even if I tried to  
Cuz you're the one for me my baby blue
