

Hello Young Lover (You Ain't Gonna Get My Heart)

[Lesley Gore & Claus Ogerman](#)

Hello young lover, you ain't gonna get to my heart
Hello young lover, you ain't gonna get to start
Everybody knows that, from the start
You've been nothing but a pro at
Breaking hearts
You know that everyone all over Keeps
Repeating that you're just a casanova
With your cheatin' and your lies Everyone around says you're from another town
That you're nothing but a playboy
Take my advise and think about it twice and
Go and find yourself another play toy
You ain't gonna sell me
Don't even try
Cause there's nothing you can tell me
To change my mind
Cause you've left a trail behind you
And just you wait and see
In jail there's gonna find you
And then they'll throw away the key I said goodbye young lover, you ain't gonna get to my heart
I said goodbye young lover, you ain't gonna get to start
