## Pentatonix

You're an alien
Your touch, so foreign
It's supernatural
ExtraterrestrialYou're so hypnotizing
Could it be the devil
Could it be an angel
You're touch magnetizing
Feels like I am floatingYou're from a whole other world
A different dimension
You open my eyes
And I'm ready to go
Beam me into the lightKiss me k-k-kiss me
Inject me with your poison
Fill me with your poisonTake me t-t-take me
Wanna be your victim
Ready for abductionOh you're an alien
You're touch, so foriegn
It's supernatural
Extra terrestrialThis is transcendental
On another level
Oh you're my lucky star
Wanna walk on your wave length
And be there when you vibrate
For you I'd risk it allAh kiss me k-k-kiss me
Inject me with your lovin
Fill me with your poisonTake me t-t-take me
Wanna be your victim
Ready for abductionYou're an alien
Your touch so foriegn
It's supernatural
Extra-terrestrial-al-al-al-al
