

Someone Else Calling You Baby

[Luke Bryan](#)

I saw a truck backin' out of your drive
You were sittin' in the passenger side
Messin' with the radio, you had your sunglasses on I pulled over 'cause I couldn't believe
Two weeks ago, that was you and me
Riding down these old back roads, just singing our songs Now everybody 'round our town's been whisperin'
A tear in your eye says I should have been listenin' Baby, is someone else callin' you baby?
It's drivin' me crazy, this bein' in the dark
Goodbye ain't never easy, so break it to me hard
If you're over my love, girl, lay it on my heart
Don't try to save me, is someone else callin' you baby? You wanted time and you wanted your space
So I backed off, did whatever it takes
Never really thought you were that ready for movin' along Now I ain't leavin' 'til I hear you say what's goin' on
It'll be what it will be, it's either him or me
Give me the word and girl, I'm gone Baby, is someone else callin' you baby?
It's drivin' me crazy, this bein' in the dark
Goodbye ain't never easy, so break it to me hard
If you're over my love, girl, lay it on my heart
Don't try to save me, is someone else callin' you baby? No, goodbye ain't never easy, so break it to me hard
If you're over my love, girl, lay it on my heart
Don't try to save me, is someone else callin' you baby?
No, don't try to save me, is someone else callin' you baby?
Is someone else callin' you baby?
