All The Time

Bahamas

I've got all the time in the world don't you want some of that
I've got all the time in the world don't you want some of that
Don't you want some of that, I would if I was youI had all the time in the world you wanted none of that
I had all the time in the world you wanted none of that
You wanted none of that, I would if I was youPut my work in front of my girl there's something wrong with that
Put my work in front of my girl there's something wrong with that
Something really really wrong with that
I know this to be true
