

# Lovely Day

Jill Scott

Uh, uh  
When I wake up in the morning, love  
And the sunlight hurts my eyes  
And something without wanting love  
Is heavy on my mind When I look at you and the world looks alright  
When you just one look at you  
And I know it's gonna be, it's gonna be, it's gonna be A lovely day  
(Lovely day, lovely day, lovely day lovely day, lovely day  
Lovely day, lovely day) A lovely day  
(Lovely day, lovely day, lovely day lovely day, lovely day  
Lovely day, lovely day) When the day that lies ahead of me  
Seems impossible to fade, to fade  
When someone else instead of me  
They always seem to know the way That I look at you and the world all right with me  
Just one look at you  
And I know it's gonna be, it's gonna be, it's gonna be A lovely day  
(Lovely day, lovely day, lovely day lovely day, lovely day  
Lovely day, lovely day) It's gonna be a lovely day  
(Lovely day, lovely day, lovely day lovely day, lovely day  
Lovely day, lovely day) A lovely day, baby  
(Lovely day, lovely day, lovely day lovely day, lovely day  
Lovely day, lovely day) Uh, lovely name, uh baby, when I walk down the street  
When I walk down the street, baby, you got me feeling on  
Shine and shine, and shine, and shine Everybody that I see  
Girl, you look and that's alright  
Baby, you got me, you got me feelin'  
Baby, you got me feeling happy, baby
