

# Dump the Dude

## Dolly Parton

Hey girl, I wanna give you some friendly advice  
He's got you cryin', oh, he's done it again  
He's made a date and he didn't show  
You know he's done this to you so many times  
When you gonna let him go?  
He doesn't treat you little a lover should  
He could be so downright cruel  
Can't understand why you're hangin' with him  
Girl, don't you be a fool  
Go on and dump the dude  
You know he's got a rotten attitude  
He always leaves you in a cryin' mood  
Take my advice, don't you think twice  
Listen to what I'm telling you  
Go on and dump the dude  
You know that we've been friends for so many years  
And I've never ever seen you this way  
So torn apart, how he gets to your heart  
With all the little games that he plays  
Just give him up, get him out of your life  
Promise me that once and for all  
You're gonna tell him that it's over and done  
The very next time he calls, ain't you now?  
Dump the dude  
You know he's got a rotten attitude  
He always leaves you in a cryin' mood  
Take my advice, find somebody nice  
Listen to what I'm telling you  
Go on and dump the dude  
Girl, I know you may think this is none of my business  
But the fact that we're friends, I believe that makes it my business  
I care about you but I ain't preachin'  
I think you should dump the dude  
I don't know why you'd want to settle for less  
When you could have so much more  
You know that you deserve only the best  
So what are you waiting for?  
Go on and dump the dude  
You know he's got a rotten attitude  
He always leaves you in a cryin' mood  
Take my advice, don't you think twice  
Find yourself somebody nice  
Go on and dump the dude
