Gotta Lot Of Rhythm In My Soul

Patsy Cline

Come on dad get with the jive
Let's let them know that we're alive
Until the break of dawn
We'll yell for more, more, more
Gonna live it up and tear it down
Get in the groove and paint the town
Gotta lot of rhythm in my soul
Well, now, baby, baby, let's go tonight
Together you and me
Baby, baby, when ya hold me tight
Ooh, wee, whatcha do to me
The big black hand's on the clock
Tell me that it's time to rock
Gotta lot of rhythm in my soul
Big bad beat with a crazy bop
When the lights are low and the music's hot
Dance from 2 to 3 and then a half past 4
When that sun peeps over the hill
I won't stop, I'll be rockin' still
Gotta lot of rhythm in my soul
Well, now, baby, baby, let's go tonight
Together you and me
Baby, baby when ya hold me tight
Ooh, wee, whatcha do to me
The big black hand's on the clock
Tell me that it's time to rock
Gotta lot of rhythm in my soul
Well, now, baby, baby, let's go tonight
Together you and me
Baby, baby when ya hold me tight
Ooh, wee, whatcha do to me
The big black hand's on the clock
Tell me that it's time to rock
Gotta lot of rhythm in my soul
Gotta lot of rhythm in my soul
