Is It for Me

Toad the Wet Sprocket

And through the door
What do I see?Bradley said, "It's haunted
The house upon the hill
And if we met at four a.m.
Then we would know for sure"We carry the ladders
And lean them against it
And climb them as we lookedSomeone kicked a ladder
Bradley took a spill
Said his leg was broken
So we dragged him down the hillThrough the door
What do I see?
Something is happenin'
Is it for me?
Is it for me?Mom found out the whole thing
Mine was first to call
Bradley's leg healed badly
At least he still can walkWe leave in the morning
And no one will hear us
And meet in the clearing
And I'll bring the sandwiches
David come quickly
You're missin' the whole thing
Open your big eyes
Take in the sunriseThrough the door
What do I see?
Something is happenin'
Is it for me?Through the door
What do I see?
Something is happenin'
Is it for me?
Is it for me?
