

# Highway Star

## X-Cops

[Written by Blackmore, Gillan, Glover, Lord, Paice]

[Words butchered by Casey Orr]Nobody's gonna take my car, it's gonna race you to the ground, yeah

Nobody's gonna take my car, it's gonna break the speed of sound, yeah

Yeah it's a killing machine, it's got everything

Got that driving power license to kill everythingI love it, I need it, I feel it

Yeah, it's a wild thing, all right, hold tight

I'm the Highway StarNobody's gonna take my gun, I'm gonna keep it til the end, yeah

Nobody's gonna touch my gun, or I'll shoot ya in the face

Yeah it's a killing machine, it's got everything

Yeah, got that magnum power license to kill everythingI love it, I need it, I feel it

Six cylinders, all mine, all right, hold tight

I'm the Highway Star[Solo Scrapinetti]Nobody's gonna take my batch, cause I still can't take no blame, yeah

Nobody's gonna take my batch, so now I'm on the road again, yeah

Yeah, I'm in heaven again, I got everything

You're a damn punk bum and I'm the king of everythingI love it, I need it, I bleed it

Yeah, it turns me on, all right, hold tight

I'm the Highway Star[Solo Depantsia][Repeat 1st verse]
