## **Seven Mary Three**

Oh yeah
She says, "We can't tell them"
Oh yeah she wants up front
I can't do thatWhen you gonna make up your mind?
When you gonna make up your mind?
When you gonna make up your mind?
'Cause you know that I have made up mineOh yeah, she's got backup
Boyfriend, I'm hereWhen you gonna make up your mind?
When you gonna make up your mind?
When you gonna make up your mind?
'Cause you know that I have made up mineWhen you gonna make up your mind?
When you gonna make up your mind?
When you gonna make up your mind?
'Cause you know that I have made up mineOh yeah
