

Alabama Bound

Leadbelly

I'm Alabama bound
I'm Alabama bound
And if the train don't turn around
I'm Alabama bound Oh, don't you leave me here
Oh, don't you leave me here
But if you must go anyhow
Just leave a dime for beer Oh, don't you be like me
Oh, don't you be like me
Drink your good sweet cherry wine
And let that whiskey be Well your hair don't curve
And your eyes ain't blue
Well if you don't want me, Polly Ann
Well I don't want you
