

Treat Her Better

Mac DeMarco

[Verse 1: Mac Demarco]

Hey there

Heard you were your brother's keeper

That can't be

Judgin' by the way you treat her

Oh no! You've done it again!

No use, when you already know how it ends[Chorus]

Treat her better, boy

If havin' her at your side's something you enjoy

If havin' her in your life's really so important to you now[Verse 2]

Hey there

Who's been keepin brother?

Hey man, how old is your mother?

Oh no! You've done it again!

No use when you already know how it ends[Chorus] [X2][Chorus] [X2]
