

Tell Me Why

Norther

Your eyes they say things that are not real
Your wicked smile implies but who can believe
Your words just seem to be too much to take
Your mind relies on the fact that I just might brake Who do you think you are?
What do you think you can accomplish? Babe come on, you ain't real
Tell my why to try, just tell my why?
Babe come on, you ain't real
Tell my why, tell my why to believe your lies? Why to believe your lies?
Argh, come on
