

# Night Rally

Elvis Costello

I would send out for assistance but there's someone on the signal wire  
And the corporation logo is flashing on and off in the sky  
They're putting all your names in the forbidden book  
I know what they're doing but I don't want to look  
You think they're so dumb, you think they're so funny  
Wait until they've got you running to the  
Night rally, night rally, night rally  
Everybody's singing with their hand on their heart, about  
Deeds done in the darkest hours  
That's just the sort of catchy little melody  
To get you singing in the showers  
Oh, I know that I'm ungrateful, I've got it  
Lying on a plate and I'm not  
Buying my share of souvenirs  
You can stand to attention, you can  
Pray to your uncle  
Only get that chicken out of here  
Everyone gets armbands and 3-D glasses  
Some are in the back room and they're taking those night classes
