

Let Me Be Myself

3 Doors Down

I guess I just got lost being someone else
I tried to kill the pain, nothing ever helped
I left myself behind somewhere along the way
Hoping to come back around to find myself someday
Lately I'm so tired of waiting for you
To say that it's okay
But tell me please, would you one time just let me be myself ?
So I can shine with my own light, let me be myself
Would you let me be myself?
I'll never find my heart behind someone else
I'll never see the light of day living in this cell
It's time to make my way into the world I knew
And then take back all of these times that I gave into you
But lately I'm so tired of waiting for you
To say that it's okay
Tell me please, would you one time let me be myself?
So I can shine with my own light, let me be myself
For a while, if you don't mind, let me be myself
So I can shine with my own light, let me be myself!
That's all I've ever wanted from this world
Is to let me be me
Please would you one time let me be myself?
So I can shine with my own light, let me be myself
Please would you one time, let me be myself
So I can shine with my own light, let me be myself
For a while, if you don't mind, let me be myself
So I can shine with my own light, let me be myself!
Would you one time, ooh, let me be myself and let me be me?
