

Till I Met You

Angeline Quinto

INTRO

Ooh I never dream

'Cause I always thought that dreaming was for kids

Just a childish thing And I could swear

Love is just a game that children play

And no more than a game CHORUS

Till I met you

I never knew what love was

Till I met you

This feeling seems to grow more everyday

I love you more each day I believe you

I believe in every word that you say

I love you all the way Now I could swear

Love is not a game that children play

So tell me that you stay CHORUS

Till I met you

I never knew what love was

Till I met you

This feeling seems to grow more everyday

I love you more each day

Each day BRIDGE

You and I should be together

Can't you see

Can't you see CHORUS

Till I met you

I never knew what love was

Till I met you

This feeling seems to grow more everyday

I love you more each day

Each day Till I met you

Oh, I never knew what love was

Till I met you

This feeling seems to grow more everyday

I love you more each day

Each day Till I met you

Till I met you
