The Mountain (feat. Sam Littrell)

James Harris

Oh you give and you take
just a little more
only just to find
it's what it was before.

And you go
so far from home.
And you go
so far from home.

Oh you twist and you turn
as you're looking for more
only just to find
it's not what it was before.

And you go
so far from home.
And you go
so far from home.

Oh-whoa-oh
I see you there.
Oh-whoa-oh
Breathe in the air.
Oh-whoa-oh
I won't touch the ground.

Oh-whoa-oh
I see you there.
Oh-whoa-oh
Breathe in the air.
Oh-whoa-oh
I won't touch the ground.

Once I was lost
now the peak of the mountain.
I'm no longer scared
no longer scared.

Once I was lost

now the peak of the mountain.
I'm no longer scared
no longer scared.

Once I was lost
now the peak of the mountain.
I'm no longer scared
no longer scared.

Once I was lost
now the peak of the mountain.
I'm no longer scared
no longer scared!

Oh-whoa-oh
I see you there!
Oh-whoa-oh
Breathe in the air.
Oh-whoa-oh
I won't touch the ground.

Oh-whoa-oh
I see you there!
Oh-whoa-oh
Breathe in the air.
Oh-whoa-oh
I won't touch the ground.

I won't touch the ground.

I won't touch the ground.
