

# Dirty Old Town

## Waxies Dargle

I met my love by the gas works wall  
Dreamed a dream by the old canal  
Kissed a girl by the factory wall  
    Dirty old town  
    Dirty old town  
Clouds a drifting across the moon  
    Cats a prowling on their beat  
Spring's a girl in the street at night  
    Dirty old town  
    Dirty old town

    Heard a siren from the docks  
    Saw a train set the night on fire  
Smelled the spring on the smokey wind  
    Dirty old town  
    Dirty old town  
I'm going to make a good sharp axe  
    Shining steel tempered in the fire  
Will chop you down like an old dead tree  
    Dirty old town  
    Dirty old town
