

Crashed (Acoustic)

Daughtry

Well, I was movin' at the speed of sound
Head spinnin', couldn't find my way around, and
Didn't know that I was goin' down, yeah, yeah
 Where I been; well, it's all a blur
 What I was lookin' for I'm not sure
Too late and didn't see it coming, yeah, yeahThen I crashed into you
 And I went up in flames
 Could've been the death of me
 But then you breathed your breath in me
 Then I crashed into you
 Like a runaway train
 You will consume me
But I can't walk awaySomehow I couldn't stop myself
 I just wanted to know how it felt
 Too strong, I couldn't hold on, yeah, yeah
 Now I'm just tryin' to make some sense
 Out of how and why this happened
 Where we're headed
There's just no knowin', yeah, yeahAnd then I crashed into you
 And I went up in flames
 Could've been the death of me
 But then you breathed your breath in me
 Then I crashed into you
 Like a runaway train
 You will consume me
But I can't walk awayYour face, your eyes
 Are burnt into me
 You save me, you gave me
 Just what I need
Oh, just what I needAnd then I crashed into you
 And I went up in flames
 Could've been the death of me
 But then you breathed your breath in me
 Then I crashed into you
 Like a runaway train
 You will consume me
But I can't walk awayThen I crashed into you
 And then I crashed into you
 And then I crashed into you

And then I crashed into you
Then I crashed into you
Like a runaway train
You will consume me
But I can't walk away
