

We All Fall (Last One Picked Album Version)

[Superchic\[k\]](#)

We all fall...sometimes
We let ourselves down
Sometimes there is nothing left but to live with what's been done
And know that you aren't the only one who falls
We all fail...sometimes
We all let someone down
Sometimes there is nothing left but to promise ourselves
That next time we won't be the one
To fail.
I want to tell you you can go on
That begingd come from ends
I still believe in you
And so does God
He's the one who still believes in those who fail
He's the one who still believes in us who fall
