

# In My Mind (feat. Brian Viglione)

[Amanda Palmer](#)

In my mind  
In a future five years from now  
I'm one hundred and twenty pounds  
And I never get hung over  
Because I will be the picture of discipline  
Never minding what state I'm in  
And I will be someone I admire  
And it's funny how I imagined  
That I would be that person now  
But it does not seem to have happened  
Maybe I've just forgotten how to see  
That I am not exactly the person that I thought I'd be And in my mind  
In the faraway here and now  
I've become in control somehow  
And I never lose my wallet  
Because I will be the picture of of discipline  
Never fucking up anything  
And I'll be a good defensive driver  
And it's funny how I imagined  
That I would be that person now  
But it does not seem to have happened  
Maybe I've just forgotten how to see  
That I'll never be the person that I thought I'd be And in my mind  
When I'm old I am beautiful  
Planting tulips and vegetables  
Which I will mindfully watch over  
Not like me now  
I'm so busy with everything  
That I don't look at anything  
But I'm sure I'll look when I am older  
And it's funny how I imagined  
That I could be that person now  
But that's not what I want  
But that's what I wanted  
And I'd be giving up somehow  
How strange to see  
That I don't wanna be the person that I want to be And in my mind  
I imagine so many things  
Things that aren't really happening

And when they put me in the ground  
I'll start pounding the lid  
Saying I haven't finished yet  
I still have a tattoo to get  
That says I'm living in the moment  
And it's funny how I imagined  
That I could win this, win this fight  
But maybe it isn't all that funny  
That I've been fighting all my life  
But maybe I have to think it's funny  
If I wanna live before I die  
And maybe it's funniest of all  
To think I'll die before I actually see  
That I am exactly the person that I want to be Fuck yes  
I am exactly the person that I want to be
