

# Carl's Theme

## 9lb Hammer

Yeah!The pants that I wear wick the sweat from my balls,  
Im a South Jersey Mook, Im the cock of the walk,  
I dont need no instructions, to know how to rock!  
More than a feeling, is the worlds greatest song,  
I crank it all day long, all over my block,  
I dont need no instructions to know how to RockGet the f\*ck out of my pool!Exit 109 baby is where the skanks  
hang out,  
They love my shinny dome, and my nasty flip flop  
I dont need no instructions to know how to rock!  
I dont need no instructions to know how to rock!Look here, Ive been working since I was 8 years old,  
And I wont eat no more shag you hear that!  
Yeah!Yeah!
