

# In The Stars

## Icona Pop

Got a horseshoe in my pocket  
And my hands are full of gold  
My heart's racing like a rocket,  
Wind it up and watch it go We'll be ruling in the sunlight  
Like we're pharaohs on the throne  
We'll be dancing in the moonlight,  
Dancing all the way back home They're coming home at last  
They're coming home again  
They're coming home at last  
They're coming home again  
They're coming home at last  
They're coming home again  
They're coming home again Skies open, where we going  
It's in the stars, it's who we are  
Don't you worry about the morning  
It's in the stars, it's who we are  
We're blowing up, blowing up the door Blowing up, blowing up  
We're blowing up, blowing up the door  
Skies open, where we going  
It's in the stars, it's who we are Got a horseshoe in my pocket  
And my hands are full of gold  
My heart's racing like a rocket,  
Wind it up and watch it go We'll be ruling in the sunlight  
Like we're pharaohs on the throne  
We'll be dancing in the moonlight,  
Dancing all the way back home They're coming home at last  
They're coming home again  
They're coming home at last  
They're coming home again  
They're coming home at last  
They're coming home again  
They're coming home again Skies open, where we going  
It's in the stars, it's who we are  
Don't you worry about the morning  
It's in the stars, it's who we are We're blowing up, blowing up the door  
Blowing up, blowing up  
We're blowing up, blowing up the door Skies open, where we going  
It's in the stars, it's who we are Skies open, where we going  
It's in the stars, it's who we are

Don't you worry about the morning  
It's in the stars, it's who we areWe're blowing up, blowing up the door  
Blowing up, blowing up  
We're blowing up, blowing up the doorSkies open, where we going  
It's in the stars, it's who we are
