

# Let It Snow

## Diana Krall & The Clayton-Hamilton Jazz Orchestra

Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow It doesn't show signs of stopping  
And I brought some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow When we finally kiss good-night  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm The fire is slowly dying  
And, my dear, we're still good-bye-ing  
But as long as you love me so  
Let it snow, let it snow, let it snow  
Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
a-Let it snow, let it snow, let it snow, let it snow, let it snow It doesn't show signs of stopping  
But I brought some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow When we finally kiss good-night  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm The fire is slowly dying  
And, my shu-ba-du-ba-di-d'n-di-ba still good-bye-ing  
But as long as you love me so  
Let it snow, let it snow, let it snow  
Let it snow  
Let snow  
Let it snow
