Standing Room Only

Kitty Wells

In your heart there's just standing room only you had so many lovers before
But please pity your life that's been lonely and let me come in your heart's door
In your heart there's just standing room only but you know laugh is deeper than cry
If I can't be your one and only I'd be happy just to stand there in styleWith you now I plead oh so lonely don't lock me outside with no key
In your heart there's just standing room only but I beg you make room for me
In your heart there's just standing room only...
