Winner

Javine

[VERSE:]
I have a dream
I dream it every night
to fly away
so far away
and all I need
for you to hold on tight
don't be afraid
there's brighter dayswe're standing at the crossroads
I think I know which way to go
If we take this risk
and make one wish
everything will be alright you know[CHORUS:]
I'm a winner
You wont know whats hit ya
HEY! HEY! ah huh ah huh
I'm a winner
wanna take a picture
HEY! HEY! ah huh ah huh
I'm a winner
You wont know whats hit ya
HEY! HEY! ah huh ah huh
I'm a winner
I'm a winner
I'm a winner
