

You Take My Breath Away

[Sarah Brightman](#)

[Foreign Content]We saw the holy men come in from Sanchi
We touched their souls and heard the martyrs crying
Among the fields of red we took the strange brew
The windless sky, Diwali moon were calling to me
The deeper I go, the higher I fly with youYou take my breath away, oh you
You take my breath away, oh you
You take my breath away, oh you
You take my breath away, oh you
You take my breath away, oh you[Foreign Content]You take my breath away
You take my breath away, oh you
You take my breath away, oh you
You take my breath away, oh you
You take my breath away, oh youYou take my breath away, oh you
You take my breath away, oh you
You take my breath away, oh you
You take my breath away, oh you
You take my breath away, oh you
