Masquerade

Jasmine V

Id like to take this Time just too Apologize
The Way You See Me Now What I Am Inside
maybe your Character wasnt in it For Us
I Tryin To Keep It Up but when I Look Into Your Eyes tonight
I Saw You heart Crystal Clear
And When You Look Back Mine
the truth Seem To DisappearChorus:
Because It Was All, It Was All, It Was All Masquerade
Because It Was All, It Was All, It Was Masquerade,
Masquerade, Masquerade, Masquerade, Masquerade
Masquerade, Masquerade, Masquerade, MasqueradeI Said I Loved You First, but love is just a word
.said it so many times that it became a blur
You're Not The Only One I'm Sure That hearing it hurts
Of All The Pain You Had I'm The Worst In Your Eyes Tonight
i saw your heart crystal clear but when you look back at mine
All The Lies ReappearChorus:
Because It Was All, It Was All, It Was All Masquerade
Because It Was All, It Was All, It Was Masquerade,
Masquerade, Masquerade, Masquerade, Masquerade
Masquerade, Masquerade, Masquerade, MasqueradeNow I Can't Believe You're Telling Me that You Can Move On Easily
I Thought You Really Care For Me I Was Wrong
I Should Have Known My fun Was bitter sweet
.. All The Possibilities ..Playin You Play In Me
I Was Wrong, I Was WrongSo I Guess It Was All, It Was All, It Was All Masquerade
Because It Was All, It Was All, It Was Masquerade,
Masquerade, Masquerade, Masquerade, Masquerade
Masquerade, Masquerade, Masquerade, Masquerade
