Under The Weather (Single Version)

KT Tunstall

Under this national rain cloud
I'm getting soaked to the skin
Trying to find my umbrella
But I don't know where to beginAnd it's simply irrational weather
Can't even hear myself think
Constantly bailing out water
But still feel like I'm gonna sink'Cause I'm under the weather
Just like the world
So sorry for being so bold
When I turn out the light
You're out of sight
Although I know that I'm not alone
Feels like home
Feels like homeYou say you feel like a natural person
You haven't got nothing to hide
So why do you feel imperfection
Cut like a sword in your side?'Cause you're under the weather
Just like the world
So sorry for being so bold
When I turn out the light
You're out of sight
Although I know that I'm not alone
Feels like homeFeels like home
Feels like home
Feels like homeYes, it feels like home
Yes, it feels like home'Cause I'm under the weather
Just like the world
And I need somebody to hold
When I turn out the light
You're out of sight
Although I know that I'm not alone
Feels like home
