

# Someday

## Dr. Dog

There's a tree  
Outside my home  
The sidewalks cracked  
Out where it's roots have grown  
Someday came  
And then left me alone  
I should've known back then  
That I stayed too long  
I should've known better  
I should've known better  
I should've known better  
But I don't believe I can  
If my feet  
Could carve stone  
They'd mark a monument  
That's never wrong  
I was a man  
I turned to bone  
I never moved and now my  
My will is gone  
I should've known better  
I should've known better  
I should've known better  
But I don't believe, well, I don't believe  
No, I don't believe I can
