

# I Feel Fine

## Woodbine

Right now, I really don't care  
If I'm alone or if I got you sittin' there  
    Oh no, look I've done it again  
Man, I should think about it before I say anything  
    1 2 3 4 looks like I'm alone again  
        And I feel fine  
        Doesn't really matter now  
        'Cuz I'm alright  
Knocked me on my ass again but I don't mind  
    Looks like I'm alone again  
        And I feel fine  
        Right now, I don't know what to say  
Because you're mean and I never liked you anyway  
    Don't ever call 'cuz I don't want to be friends  
Excuse me now 'cuz the chorus is comin' up again  
    1 2 3 4 looks like I'm alone again  
        And I feel fine  
        Doesn't really matter now  
        'Cuz I'm alright  
Knocked me on my ass again but I don't mind  
    Looks like I'm alone again  
        And I feel fine  
        They come and go, I don't feel a thing  
        It's not 'cuz I'm a jerk and I don't care  
        And I don't know, what's the matter with me?  
        And I only know the right girl is still out there  
            And I feel fine  
            Doesn't really matter now, 'cuz I'm alright  
Knocked me on my ass again but I don't mind  
    Looks like I'm alone again and I feel fine  
        I feel fine  
        Doesn't really matter now, 'cuz I'm alright  
Knocked me on my ass again but I don't mind  
    Looks like I'm alone again and I feel fine
