

# Walk

## Foo Fighters

A million miles away  
Your signal in the distance  
To whom it may concern  
I think I lost my way  
Getting good at starting over  
Every time that I return Learning to walk again  
I believe I've waited long enough  
Where do I begin?  
Learning to talk again  
Can't you see I've waited long enough  
Where do I begin? Do you remember the days  
We built these paper mountains  
Then sat and watched them burn  
I think I found my place  
Can't you feel it growing stronger  
Little conquerors Learning to walk again  
I believe I've waited long enough  
Where do I begin?  
Learning to talk again  
I believe I've waited long enough  
Where do I begin? Now  
For the very first time  
Don't you pay no mind  
Set me free again You keep alive a moment at a time  
But still inside a whisper to a riot  
To sacrifice but knowing to survive  
That first decline another state of mind  
I'm on my knees, I'm praying for a sign  
Forever, whenever  
I never wanna die  
I never wanna die  
I never wanna die  
I'm on my knees  
I never wanna die  
I'm dancing on my grave  
And running through the fire  
Forever, whatever  
I never wanna die  
I never wanna leave

I'll never say goodbye  
Forever  
Whatever!  
Forever  
Whatever!! Learning to walk again  
I believe I've waited long enough  
Where do I begin?  
Learning to talk again  
Can't you see I've waited long enough  
Where do I begin? Learning to walk again  
I believe I've waited long enough  
Learning to talk again  
Can't you see I've waited long enough
