

Cursed

Robbie Williams

Dig your polished nails into the dirt
Rip your skirt off
Wipe the hurt off
You know it tears my heart out when you
Flirt with danger
And any stranger You're not as stupid as I look
Before I could read
You wrote the book Cursed
Since your birth dear
And your worst fears
Have all come true Held my hand when I got my first tattoo
I was naked when they penetrated
Told everyone I'd slept with you
Thought you liked it and you wouldn't deny it
Saint Peter's gonna be unfaithful
Tell God he's got a dirty angel Cursed
Since your birth dear
And your worst fears
Have all come true Babe you're not the first
Here on earth dear
Cause I'm still here
And I'm cursed, too
Cursed like you Hush
Baby sleep now
We all love you
We always did Cursed
Since your birth dear
And your worst fears
Have all come through Babe you're not the first
Here on earth dear
Cause I'm still here
And I'm cursed, too
Cursed like you Hush
Baby sleep now
We all miss you
We always will
