

# Check

## Yo Gotti

### YO GOTTI - CHECK LYRICS

I got a check, check, check, beep.

Bitch I got a check, check, check

Bitch I got a check, check, check I buy anything I want, 'cause I got a check,

Fuck any bitch I want, 'cause I got a check.

I only ride foreign 'cause I got a check.

You know I'm fully armed, you ain't gotta check

And every time you see me I be on a deck

Looking like money, smelling like a jet,

Brand new swag, got me on flex.

Whole lot of cash, I'm a walking check. Uh, I got my check up, I need a check-up.

Watch on me so cold, chain on me so froze.

Check, I got them hoes, check, designer clothes,

I got them bows, plus I got them o's.

Going hard, Nigga, I do too,

I got shooters Nigga, what about you?

Valet park Nigga there's my coupe

Popping bottles Nigga, there's my crew.

That pussy good, ass fat, head right, Nigga, that's my boo.

A real Nigga, you ain't one, hate on me, that's what you do.

Ooh, I'm in my zone, ooh, my money long,

Sipping on that ciroc, inhaling all of the strong.

On my young Nigga shit, rolling with the belt,

I'm on my rich Nigga shit, Rolls Royce are better. Hook 1XI put on for my city, go strong when I kick it,

Got a bad girls club, a gang of bad bitches

Black diamonds, A.P., oil spill, B.P., white diamonds, mula

No diamonds, hair blow, ace of spades, no cards.

Go to pee and glow in the dark.

I got soft, I go hard, start to beating my favorite part.

The California my favorite car, the Land Landing, my favorite bar.

I hit the club, my jay's on, they out now, yeah, they stood on the boss.

Selling dope my first job, getting money, their worst thought.

I'm in this bitch with my home boys,

Big jewelry, no bodyguard.

I pull up, like who this, thugged out, I do this.

Checking on my dollar sign, get money on my to do list. Hook 1X Check, check, bitch, I'm on a deck

Flex, flex, looking like a jet.

Check, check, bitch, I'm on a deck

Flex, flex, looking like a jet. I buy anything I want, 'cause I got a check,

Fuck any bitch I want, 'cause I got a check.  
I only ride foreign 'cause I got a check.  
You know I'm fully armed, you ain't gotta check
