

# Pick You Up

## The Dykeenies

When you are set to throw in your hand  
When you are far from home  
When what you believe is buried in your hands  
When you feel outgrown I'll be the one to pick you up again  
When you decide, you've had enough of it  
I'll be the one, I'll be the one When your speech is slow  
When your eyes are closed  
When you feel betrayed  
When your heart is frayed  
When your feet are cold  
When your sights are low I'll be the one to pick you up again  
When you decide, you've had enough of it  
I'll be the one, I'll be the one
