

# Healed

Donald Lawrence

Got A story to tell you about somethings that I been through but I'm healed oh I'm healed  
Had some ups and some downs, leveled to the ground but I'm healed oh I'm healed  
Had to wrestle all night long, wondering what went wrong but I'm healed oh I'm healed  
Had some sunshine and some rain, heartache and some pain I'm healed oh I'm healed

My God has touched me, delievered, he set my soul free  
My heart is mended, I'm whole again, no chains are holding me  
Got my liberty, I am healed, I am healed  
I'm healed today (repeat verse twice)

May have some scars, I am healed  
Circumstances, I'm still healed  
Disappointments, I am healed (repeat verse twice)

Oh Oh Oh I am healed, I am healed, I am healed  
With his stripes, I am healed (repeat verse twice)
