Strange Brew

Cream

Strange brew, kill what's inside of youShe's a witch of trouble in electric blue In her own mad mind she's in love with you, with you

Now what you gonna do?

Strange brew, kill what's inside of youShe's some kind of demon messing in the glue

If you don't watch out it'll stick to you, to you

What kind of fool are you?

Strange brew, kill what's inside of youOn a boat in the middle of a raging sea She would make a scene for it all to be ignored

And wouldn't you be bored?

Strange brew, kill what's inside of youStrange brew, strange brew
Strange brew, strange brew
Strange brew, kill what's inside of you
