Jealous Girl

New Edition

Fellas
There's a jealous girl in our town
Ohh, baby
Fellas
There's a jealous girl in our town
Ohh, babyI know, you feel bad about, me and my girl
But I gave you the first chance to be in my world
Now, you are sayin' things to keep us apart
You had the very first chance to be in my heartWhen I loved you, you didn't love me
Our love had no unity
All you ever told me were lies
It's my girl, I know, you despiseFellas
There's a jealous girl in our town
Ohh, baby
Fellas
There's a jealous girl in our town
Ohh, babyGirl, I really hope you find another
I just can't take no more, of you tryin' to be my lover
You see, I've got what I want, and what I need
So girl, won't you please try, just to leaveWhen I loved you, you didn't love me
Our love had no unity
All you ever told me were lies
It's my girl, I know, you despiseFellas
There's a jealous girl in our town
Ohh, baby
Fellas
There's a jealous girl in our town
Ohh, babyThere's a jealous girl in our town
There's a jealous girl in our town
There's a jealous girl in our town
There's a jealous girl in our townHey girl, why are you so jealous? I mean, you had your chance
If you loved me so much, you wouldn't let me go
Face it girl, it's time for someone else
All those times, I tried to show you how much I loved you
And how much I cared for you, you never seemed to have the timeGirl, it's hurtin' me, as much as it's hurtin' you
But that's just how life goes, you win some, you lose some
Sweetheart, point blank, you lost this one
I just wanna let you know that it's hurtin' me so

Girl, I just had to let you goThere's a jealous girl in our town
And it's you, girl, it's you
There's a jealous girl, in our town
There's a jealous girl, in our town
