

Just Can't Get Enough

Glee Cast

When I'm with you baby, I go out of my head
And I just can't get enough, I just can't get enough
All the things you do to me and everything you said
And I just can't get enough, I just can't get enough

We slip and slide as we fall in love
And I just can't seem to get enough of

We walk together, we're walking down the street
And I just can't get enough, I just can't get enough
Every time I think of you I know we have to meet
And I just can't get enough, I just can't get enough

It's getting hotter, it's a burning love
And I just can't seem to get enough of

I just can't get enough x16

And when it rains, you're shining down for me
And I just can't get enough, I just can't get enough
Just like a rainbow you know you set me free
And I just can't get enough, I just can't get enough

You're like an angel and you give me your love
And I just can't seem to get enough
