

# The Body

## The Gutter Twins

Breathe, wake your lungs  
I'm falling fast, no air will come  
I think I've gone too far this time  
I crashed the car, I crossed the lineScream, no one home  
No more light, no more meComes the day, call my number  
Sight unseen, I am your brother  
Waste not for those who don't want it  
What I want is trs verbotenSleep, close my eyes  
Wake the ghost, shake the lie  
Shake the lie, shake the lie  
Unchain time, unchain timeSo long  
I have begun to set the sun  
I'll rise again to catch the dawn  
So sorry that I had to run soDream, close your eyes  
I was done, you're alive  
You're alive, you're alive  
You're alive, you're alive
