Fallen Angel

Waldeck

She's at ease with the past and the darkness
Listen to nothing
But the soundtrack in her mindOh, she's alone drifting into insanity
And the soundtrack of her mind
And the soundtrack of her mindFallen angel
She's inside of me
Fallen angelShe's at ease with the past and the darkness, darkness
Ahh ha ha
And the soundtrack of her mind
Ahh ha ha, ahh ha haFallen angel, ohh ohh
She's inside of me
Fallen angelFallen
Fallen
Fallen angel
