Raino

Chilliwack

Raino, raino
fall upon the earth again
and make it good.
make it cool and fill the river,
fill the pool, quench the thirst
of every fool and every sage
and every sour soul
who's lost so much
he doesn't know his need.Mmmm in vain, in vain
I tell you we're all the same
'cause there you stand
a-sayin' man it's not for real
'cause we're the ones
who get to steal the show
and I don't know
I guess you're right
but even so
if there's no audience,
there just ain't no show.Raino, rain
won't you fall on me again
aaaah because a moldy mold
has settled, settled on my brain.And in vain, in vain
I tell you we're all the same
'cause there you stand
a-sayin' man it's not for real
'cause we're the ones
who get to steal the show
and I don't know
I guess you're right
but even so
if there's no audience,
there just ain't no show.I said in vain, in vain
I tell you we're all the same
'cause there you stand
a-sayin' man it's not for real
'cause we're the ones
who get to steal the show
and I don't know
I guess you're right

but even so
if there's no audience,
there just-a ain't no show.Raino, rain
won't you fall, won't you fall on me again
mmm yeah, because a moldy mold
has settled, settled on my brain.Vain, in vain
I tell you we're all the same
'cause there you stand
a-sayin' man it's not for real
'cause we're the ones
who get to steal the show
and I don't know
I guess you're right
but even so
if there's no audience,
there just ain't no show.
