'cause' when I open up my third eye, my third eye
Y'all get away with murda', with murda'You was foolin' me once before
But I tell you there's no foolin' me twice no more
So stop your oppression, oppression
Check it out I got a question, a questionBush is Pinocchio, Pinocchio
Who the hell is Geppetto, Geppetto?
Beware of Geppetto.'cause he got knives and clips and a bag a dat shit with two crucifix
And it's your back, won't flick, give it to a brotha as a neglental Christmas
Welcome to the belly of the beast
Where they sing in harmony but us speak no peace
Keep an eye on your fetta ya', chedda' things that ain't really for the better
I could point out odd behavior ta keep you immune from the poisonous flavor
But what you caught I can't say but let me make up ya' mind so ya end on danger
He could sell sand to Iran, ice to an eskimo, water to a dam
and He's got a killer up fo'sale
The one that taught him howta scamHe was foolin' me once before
But I tell ya he ain't foolin' me twice no more

Y'all get away with murda', with murda'

Sometimes..
We need to change..
To change.. To change.
Leave the past behind.
Leave the past behind or shall we..
Look into the future..
Look ahead..
That's right.
