Cakewalk Into Town

Taj Mahal

I had the blues, so bad one time
It put my face in a permanent frown
Now, I'm feelin' so much better
I could cakewalk in the townI woke up this mornin' feelin' so good
You know, I lay back down again
Throw your big leg over me mama
I might not feel this good againMy baby, oh, my baby
I love the way she walk
When the girl gets sleepy
I love the way she baby talkMy work don't got scarce, honey
Oh [Incomprehensible] it no got hard
I spend my whole day stealin' chickens
Mama from the rich folks yardI got the blues so bad one time
It put my face in a permanent frown
You know, I'm feelin' so much better
I could cakewalk into townI want to go on a picnic
In the country mama oh, and stay all day
I don't care but don't do nothing
Just while my time awayI got the blues, so bad one time
It put my face in a permanent frown
You know, I'm feelin' so much better
I could cakewalk into town
