## Spartaque

Relax it's over, you belong to me  
I fill your mouth with dirt  
Relax it's over, you can never leave  
I take your second digit with me  
Love  
You are my first, I can barely breathe  
I find you fascinating  
You are my favorite, lay you down to sleep  
It's all that I can do to stop  
Love  
So blue, so broken, paper doll decays  
I haven't left you yet  
So cold subversive, your eyes are full of bleach  
Tomorrow, I will go away again  
Love  
You are mine, you will always be mine  
I can tear you apart  
I can recombine you  
All I want is to covet you all  
You belong to me  
I will kill you to love you  
Love, love, love  
Love you, love you, love you
