Stand by Your Man

Lyle Lovett

Sometimes it's hard to be a woman
Giving all your love to just one man
You'll have bad times and he'll have good times
Doing things that you don't understandBut if you love him please forgive him
Even though he's hard to understand
And if you love him, whoa be proud of him
'Cause after all he's just manStand by your man
Give him two arms to cling to
And something warm to come to
When the nights are cold and lonely
Stand by your man
And show the world you love him
Keep giving all the love you can
Stand by your manAnd if you love him, whoa be proud of him
'Cause after all he's just a manStand by your man
Give him two arms to cling to
And something warm to come to
When the nights are cold and lonely
Stand by your man
And show the world you love him
Keep giving all the love you can
Stand by your man
