

Welcome To Burlesque

Cher

Show a little more, show a little less
Add a little smoke, welcome to Burlesque
Everything you dream of but never can possess
Nothing's what it seems, welcome to Burlesque
Oh, everyone who's buying, put your money in my hand
If you got a little extra, oh well, give it to the band
You may not be guilty but you're ready to confess
Tell me what you need, welcome to Burlesque
You can dream of Coco and do it at your risk
The triplets grant you mercy but not your every wish
Jessie keeps you guessing, so cool and statuesque
Behave yourself says Georgia, welcome to Burlesque
Oh, everyone who's buying, put your money in my hand
If you wanna a little extra, well, you know where I am
Something better in the dark is playing with your mind
There's nothing in the days, that's just the bump and grind
Show a little more, show a little less
Add a little smoke, welcome to Burlesque
