

I Want a Dog

Pet Shop Boys

I want a dog
A chihuahua
When I get back to my small flat
I want to hear somebody bark Oh, you can get lonely Don't want a cat
Scratching its claws all over my
Habitat
Giving no love an' getting fat Oh, you can get lonely
An' a cat's no help with that I want a dog
To walk in the park
When it gets dark, my dog will bark
At any passers-by Oh, you can get lonely
I want a dog I want a dog
A chihuahua
When I get back to my small flat
I want to hear somebody bark Oh, you can get lonely
I want a dog
