Try Not to Be a Cunt

Small Town Alien

When I was a baby 8 months maybe my dad woke me up he said son Iâ€™m gonna give you a ? And he started to soke me up then he gave me some advice when I think it went like this Try your best not to be a cunt Try your best not to be a cunt Try your best not to be a cunt Try your best not to be a cunt now itâ€™s your turn kids Try your best not to be a cunt try your best not to be a cunt Try your best not to be a cunt Try your best not to be a cunt say please and thank you Because your reason And true and say you dont meet your friend at 10 past 12 when your even at noon fucking cunts late try not to be bitter well done mate good job pick up litter and if someoneâ€™s acting chipper please donâ€™t rain or ? stop laughing life sucks we all have to be a cunt at times but we canâ€™t let that cunt run our lifeâ€™s try your best to do good instead of getting pissed off you should call up your mother tell her that ya love her if your mums dead call your sister or your brother have a go and smile at some strangers let me tell you those smiles are contagious

Try your best not to be a cunt Try your best not to be a cunt Try your best not to be a cunt Try your best not to be a cunt yea im deadly Try your best not to be a cuntserious this stop shareing. Problems on Social media And thinking that Youâ€™re doing something. Because fucking Raising awareness Is fucking worthless without fucking action go out and fucking do something about it

Sorry if I got any wrong but did my best
